

The image shows a technical drawing of a swing set frame. On the left, there are two vertical dimension lines. The first is labeled with the number 224 and has two asterisks (**). The second is labeled with the number 118 and has one asterisk (*). The drawing depicts a horizontal beam supported by two angled legs. From the beam, two sets of vertical hangers are shown, each with a seat. On the right, a single vertical hanger is shown in detail, attached to the beam. The entire drawing is rendered in black lines on a white background.
