

The image shows a technical drawing of a mechanical component. On the left, a vertical dimension line indicates a height of 139 units. To its right, another vertical dimension line indicates a height of 74 units. The main drawing shows a central vertical shaft with a horizontal flange at the top. The flange has two circular features, possibly holes or mounting points. The shaft is supported by two angled legs. To the right of the main drawing is a detailed view of the top flange, showing its internal structure and a central vertical shaft passing through it.
