

The image shows a technical drawing of a mechanical assembly, likely a door handle or latch mechanism, in two views. The left view is a front view showing two vertical posts connected by a curved handle. A dimension line on the left indicates a height of 159 units. The right view is a side view showing the profile of the handle and its connection to the posts. A dimension line on the right indicates a height of 138 units. The drawing is a line drawing with no shading or color.
